

PERMIT STIPULATIONS FOR COMPETITIVE AND OFF-HIGHWAY VEHICLE EVENTS

1. The permittee is responsible for ensuring that participants and spectators stay within designated use areas.
2. The permittee is responsible for crowd control, ensuring that the event is orderly, does not endanger bystanders or participants, and is conducted in a peaceable manner to enhance recreation satisfaction and promote well being.
3. The permittee agrees to reroute and/or relocate use areas to avoid sensitive areas identified by BLM before or during the event.
4. All range fence gates opened for the race will be monitored during the race to prevent passage by livestock and closed immediately at the end of the race.
5. The permittee will take all reasonable measures to ensure that entrants, spectators, and casual users attracted by the event will not harass wildlife or livestock in the vicinity.
6. The permittee will take all reasonable measures, including publication of notices in the local news media, to inform other recreationists of the event and of associated temporary road restrictions. Cautionary signs to forewarn other motorists of the race are required on major access routes and intersections.
7. The permittee will sign and/or flag sensitive areas including but not limited to routes, staging areas, parking, and pit areas. The permittee will ensure that all signing materials are immediately removed upon completion of the event.
8. During the event, the permittee will provide on-the-ground staff monitoring to ensure that use occurring is confined to the areas actually authorized by the permit. The permittee will provide flagmen at all road and railroad crossings.
9. The permittee is responsible for ensuring that all authorized motorized use conforms to the Conditions of Use set forth in 43 CFR Sub-part 8341.1.
10. Nothing in this permit will be construed as license for the permittee, employees, or clients to use areas of the public lands which are otherwise restricted or closed.
11. The permittee is responsible for ensuring the safety of all spectator, entrant, concessionaire, and/or support personnel assuring that all permit actions are in conformance with local, State, and Federal health and safety standards and by providing appropriate emergency medical personnel and facilities. The permittee shall provide adequate communication facilities on-site to coordinate the event safely and cope with emergencies.

12. The permittee is responsible for furnishing self-contained chemical sanitation facilities and trash receptacles at locations as necessary, to keep these serviced, neat, and clean during the event, in accordance with all applicable local, State, and Federal ordinances, laws, and regulations.
13. The permittee shall indemnify, defend and hold harmless the United States and/or its agencies and representatives against and from any and all demands, claims, or liabilities of every nature whatsoever, including, but not limited to damages to property and injuries to or death of persons that arise directly or indirectly from or that are in any way connected with the permittee's use and occupancy of the lands authorized by this permit.
14. No permanent marking or signage will be permitted.
